H.I.S. PIPES

CRAFTSMANSHIP FROM BOWL TO BIT

From carefully selected briar wood to thoughtfully designed stems and expertly finished chambers, every H.I.S. pipe reflects the time-honored traditions of Italian pipe making. Built for comfort, durability, and lasting enjoyment, these pipes combine premium materials with classic craftsmanship to create an exceptional smoking experience.

SPOTTED IN THE 501311 ASSORTMENT

ROOTED IN ITALIAN TRADITION

01 · CHAMBER

READY FROM THE FIRST BOWL

A factory-finished chamber ensures a smooth first bowl right from the start. Its carefully crafted design promotes an even burn and consistent draw.

02 · BRIAR WOOD

THE GOLD STANDARD

Durable and heat resistant, briar remains the preferred wood for quality pipes. Its natural grain and reliable performance have made it a generational favorite.

03 · STEM & BIT

DESIGNED FOR COMFORT

Crafted for a natural hand and mouth fit, the stem and bit deliver a comfortable smoking experience every time.

ITALIAN BRIAR

Harvested from Mediterranean heath tree root burl.

- **HEAT RESISTANT** — *Withstands heat without cracking*
- **LIGHTWEIGHT** — *Comfortable in hand*
- **NATURALLY POROUS** — *Effortlessly manages moisture*

04 · FINISH

CHARACTER YOU CAN SEE & FEEL

From smooth and polished to rugged sandblasted textures, each finish highlights the natural beauty of briar while giving every pipe a distinct look and feel.

05 · FIT

SNUG TENON & MORTISE

A precision-fit connection provides proper alignment, lasting durability, and reliable performance.
